Department was committed to delivering modern, transparent and citizen-friendly services. He informed the delegation that the procedure for obtaining Personalized Registration Marks (Personalized Number Plates) had been further simplified following

could now acquire personalized number plates bearing the names of their businesses or brands. He also clarified that owners of personalized registration marks would retain ownership of their number plates even after selling their vehicles, and such registration marks could remain reserved in their names for up to three years without being attached to another vehicle.

The minister reaffirmed that under the leadership of the Chief Minister of Khyber Pakhtunkhwa, the Excise Department was being transformed into a modern, transparent and service-oriented institution in line with the public welfare vision of the Founding Chairman, Imran Khan.
